

STRIKES HUSBAND WITH AX

Woman at Pulaski, Va., Said to be Jealous

Pulaski, Va., Dec. 2.—Incensed by jealousy, it is said, Allen Hundley struck her husband, John W. Hundley, on the neck with an axe yesterday afternoon, inflicting a wound which may prove fatal. He is in hospital and she in jail, pending the outcome.

The woman it is said accused her husband of whistling at another woman. The family recently moved here from West Virginia.

RICHMOND THEATRE

Hobart Henley, the actor-director, enters the ranks of producer as well when he presents "The Gay Old Dog," the Pathe picture at the Richmond Theatre tonight.

"The Gay Old Dog" was a short story written by that master word painter of life, Edna Ferber, and in undertaking to transfer this beautiful human story to the screen, Hobart Henley fully realized the obstacles he was confronting, and no higher praise can be rendered him than to say that "The Gay Old Dog"

is Miss Ferber's word picture transferred to the screen.

The story of Jimmy Dodd, the "Gay Old Dog" is real. In him you can recognize people you know—perhaps you, yourself, are a Jimmy Dodd, for the world is full of such as he—self sacrificing and unthanked and unappreciated.

At the Ingomar Elsie Ferguson will be seen in "Eyes of the Soul."

GRAND THEATRE

California's giant Redwoods are filmed in "The Little Boss," Vitagraph's Bessie Love picture, which will be seen in the Grand Theatre tonight. Miss Love has the role of a little lumberjack boss, and she is seen performing stunts that usually experienced woodmen tackle. The story was written by Rida Johnson Young and directed by David Smith.

Toys of Every Wanted Sort in Toyland

We haven't room to show many here, but Toyland is filled with about everything to delight and make happy the youngsters on Christmas morning. Better make your selections early—for assortments will be depleted later on.

A patriotic parade for American-Made Toys

HERE is Toyland with every conceivable kind of toy to amuse and educate.

But that is not all. For the toys here are AMERICAN-MADE. Minds that understand the spirit of American boys and girls created the toys we show. American workers were made happy in the thought that they would help build a patriotic spirit in the growing generation.

America makes the best toys. That is why American-Made Toys lead in our displays. As patriotic American fathers and mothers, see that your children's patriotic spirit is built up—made a big part of their lives, by giving them only 100 per cent American Toys and telling them of that fact.

Buy American-Made Toys

We have them for sale here. We are proud of it because we are protecting America's industry by doing so. We are proud, too, because it means the best toys—the best made—the greatest variety—are here—now, ready for you to come and choose from.

Semi-Made Skirts

Smart Box Pleated Styles

The materials used are rich colored plaids and fine checked effects in dark colors.

All are box pleated styles and many are trimmed with rows of buttons down the back. Each skirt has one seam left open for adjustment. Some of these skirts are trimmed with smart pockets and new style belts.

As in these semi-made skirts one seam is left open for adjustment and as they are carefully graded as to sizes, any woman who chooses her correct size carefully will have little adjusting to do.

Sizes range according to waist measure from 26 to 32 inches.

Choice of Plaids or Checks at \$14.50.
